- 
5. On certain occasions our sound engineer: Alexander Thyberg will join us. If so, we will have come to a mutual agreement with the venue and sent additional information about that before.

## 2. Technical

### ❖ Tech at location

Please call/email Mischa Grind (+46 72 299 35 48, [mischagrind@hotmail.com](mailto:mischagrind@hotmail.com)) or if our own sound engineer Alexander Thyberg is with us (+46 73 641 08 32, [alexander.thyberg@gmail.com](mailto:alexander.thyberg@gmail.com)) if you have any questions regarding the following.

### **Backline:**

The band will use some of their own backline, but we need you to supply us with:

- ❖ **1 bass amplifier** (preferably Ampeg BA115h)
- ❖ **4 monitors** with four different mixes (preferably d&b microwedge)
- ❖ **Stands:** 5 long stands with boom, 3 short stands with boom
- ❖ **XLR cables:** 15x10m, 10x5m and 10x3m
- ❖ **Power sockets 230v** (according to the stage plot)
- ❖ **5 Active DI Boxes**
- ❖ **Microphones** according to the channellist further down in the document
- ❖ If nothing else is agreed on u should provide a well educated **sound engineer** to manage our sound.
- ❖ If the agreement is that we bring our own sound engineer – We need a **digital console** and stagebox prepared for soundcheck before get in, preferably Allen & Heath iLive or dLive, Soundcraft Vi-series or similiar. Then please let our engineer know as soon as possible what desk will be provided.

❖ PA System

We need a complete PA system of a high quality, it should be rigged and tested before our arrival. We also need a sound engineer on the location, from our arrival until departure, who can manage the sound or help our sound engineer.

❖ Concert lights

We need a light that will cover all musicians. We also prefer some LEDs that will make the stage more colourful and give a warm feeling.

### 3. Additional

- ❖ We need help during load-in/out by at least two people.
- ❖ Water bottles with screw cap on the stage.

### 4. Backstage

#### Dinner:

The organiser should provide warm dinner before the gig for 4 people if nothing else is agreed on, Preferably no fast food! We prefer warm fresh food with a salad or alternatively a filling salad, a few soft drinks, beer, wine and water. We would be so happy if the food is **organic!** Our needs foodwise:

- ❖ 3 lacto ovo Vegetarians (eats no red meat, no white meat, no fish, no dead animals! But we eat milk products and eggs)
- ❖ 1 lacto ovo Vegetarian who is **Gluten intolerant** and eats meat if it is **Organic.**

#### In the backstage area:

Tea, hot water and oat/soy-milk

A assortment of fresh fruit and snacks.

- ❖ 2x Dark chocolate
- ❖ 1x Gluten free sandwich for lacto ovo vegetarian
- ❖ 3x Sandwiches for lacto ovo vegetarian
- ❖ 4x Bottles of mineral water
- ❖ 4x Organic beer
- ❖ 6x Organic soft drinks
- ❖ 1x Bottle organic red wine
- ❖ 1x Bottle of organic white wine

And a mirror, as big as possible.

### 5. Accommodation

- ❖ Guidelines: preferably single rooms, if not possible – two by two and if that's not possible all four in one room but we always need our own bathroom in the room, not in a corridor or outside.
- ❖ According to agreement

### 6. Merchandise

- ❖ The band would very much appreciate a table and a spot where merch could be sold after the concert.

## 7. Guestlist

- ❖ We would like one or two guests per member of the band on a guest list.  
If needed names could be provided before arrival.
